

LEGACY

Home Health Care

Your **BEST** Choice...

NEXT-LEVEL NURSING

Our highly skilled nurses are the best of the best to help you meet your goals.

- Do you have an upcoming procedure or surgery?
- Do you understand why you take each medication?
- Need help setting up a medication pill box?
- Unsure about your health conditions?
- Have a wound that won't heal?
- Have you recently been in the hospital?

PERSONALIZED PHYSICAL THERAPY

We develop specialized Care Plans for each individual.

- Do you have a tendency or fear of falling?
- Are you having trouble making it to the elevator/stairs/restroom?
- Feeling weak after a surgery?
- Having trouble playing pickle ball, swimming, playing tennis, golf, shopping, or driving?
- Need to walk further distances?
- Do you need to hold onto furniture to keep your balance when you walk?
- Do you need to sit down and take a break when walking?
